

BTT-100/BTT-101

Single-Station
Battery-Operated
Bluetooth® Tap Timer

Quick Start Guide

Hunter®

RC-074 / 3/18

FRANÇAIS

Veuillez lire et conserver toutes les instructions de sécurité et d'utilisation. Pour plus d'informations, rendez-vous à l'adresse hunterindustries.com/BTT.

Instructions de sécurité importantes

- Lisez, conservez et suivez ces instructions.
 - Reportez tous les avertissements.
 - N'utilisez que les accessoires indiqués par le fabricant.
- Informations Bluetooth**
- Bandes de fréquences du fonctionnement : 2400 MHz à 2480 MHz.
 - Bluetooth : Puissance de transmission maximale inférieure à 20 dBm EIRP.
 - Bluetooth basse énergie : Densité spectrale de puissance maximale inférieure à 10 dBm/MHz PIRE.

Avertissements et précautions

- NE modifiez PAS les piles sans autorisation.
- Éloignez les piles de la chaleur ou des sources de chaleur.
- N'ouvrez pas les produits contenant des piles à une chaleur excessive (ex : stockage au près d'un feu, etc.).
- L'étiquette du produit se trouve au verso.
- Ne remplacez pas les piles avec des piles identiques ou équivalentes. Mettre les piles au rebut conformément aux instructions.
- NE mélangez pas de piles de différentes types ou différentes marques de piles.
- Stockez les piles dans un endroit frais et sec à une température ambiante normale.

Connexion des piles

- Serrerez les languettes du compartiment des piles entre deux doigts pour le refermer.
- Insérez les 2 piles alcalines AA standard incluses dans les bornes. Respectez la position +.
- Remettez le compartiment de la batterie.
- Testez l'alimentation de l'appareil en appuyant sur le bouton manuel à l'avant de l'appareil jusqu'à entendre un clic. Appuyez 2 secondes sur le bouton pour éteindre l'appareil.
- REMARQUE :** Le bouton manuel active l'arrosage pendant 60 minutes maximum avant de couper.

Raccordement à l'alimentation en eau

Raccordement à l'alimentation en eau BTT-100

- Ne raccordez pas l'appareil à une sortie robinet/alimentation en eau filtreée NPT de 19 mm (¾"). Dévissez l'adaptateur gris pour utiliser l'option d'entrée NPT de 1/2" (25 mm).
- Serrez à la main.
- Insérez l'adaptateur de tuyau ou de goutte-à-goutte d'entrée de 19 mm (¾") (modèle BTT-LOC) à la sortie du BTT.
- Serrez à la main.

Raccordement à l'alimentation en eau BTT-101

- Ne raccordez pas l'appareil à une sortie robinet/alimentation en eau filtreée NPT de 19 mm (¾"), dévissez l'adaptateur gris pour utiliser l'option d'entrée NPT de 1/2" (25 mm).
- Serrez à la main.
- Insérez l'adaptateur de tuyau ou de goutte-à-goutte d'entrée de 19 mm (¾") (modèle BTT-LOC) ou un adaptateur pour raccord rapide (inclus) à la sortie du BTT.
- Serrez à la main.

Connexion à Water Supply

BTT-100 Instructions

- Connectez le device only to a standard 1/4" (6 mm) BSP male water supply/hose faucet outlet. Unscrew the gray cap to use the 1/2" (25 mm) NPT inlet option.
- Hand-tighten until secure.
- Connect a 1/4" (9 mm) inlet hose or drip adapter (Model No. BTT-LOC) to the BTT outlet.
- Hand-tighten until secure.

BTT-101 Instructions

- Connect the device only to a standard 1/4" (6 mm) BSP male water supply/hose faucet outlet. Unscrew the gray cap to use the 1/2" (25 mm) NPT inlet option.
- Hand-tighten until secure.
- Connect a 1/4" (9 mm) inlet hose or drip adapter (Model No. BTT-LOC) or quick connect adapter (included) to the BTT outlet.
- Hand-tighten until secure.

Connexion à Water Supply

BTT-100 Instructions

- Connect the device only to a standard 1/4" (6 mm) BSP male water supply/hose faucet outlet. Unscrew the gray cap to use the 1/2" (25 mm) NPT inlet option.
- Hand-tighten until secure.
- Connect a 1/4" (9 mm) inlet hose or drip adapter (Model No. BTT-LOC) to the BTT outlet.
- Hand-tighten until secure.

BTT-101 Instructions

- Connect the device only to a standard 1/4" (6 mm) BSP male water supply/hose faucet outlet. Unscrew the gray cap to use the 1/2" (25 mm) NPT inlet option.
- Hand-tighten until secure.
- Connect a 1/4" (9 mm) inlet hose or drip adapter (Model No. BTT-LOC) or quick connect adapter (included) to the BTT outlet.
- Hand-tighten until secure.
